11. Var hjelpen og behandlingen du fikk på institusjonen, alt i alt, tilfredsstillende?

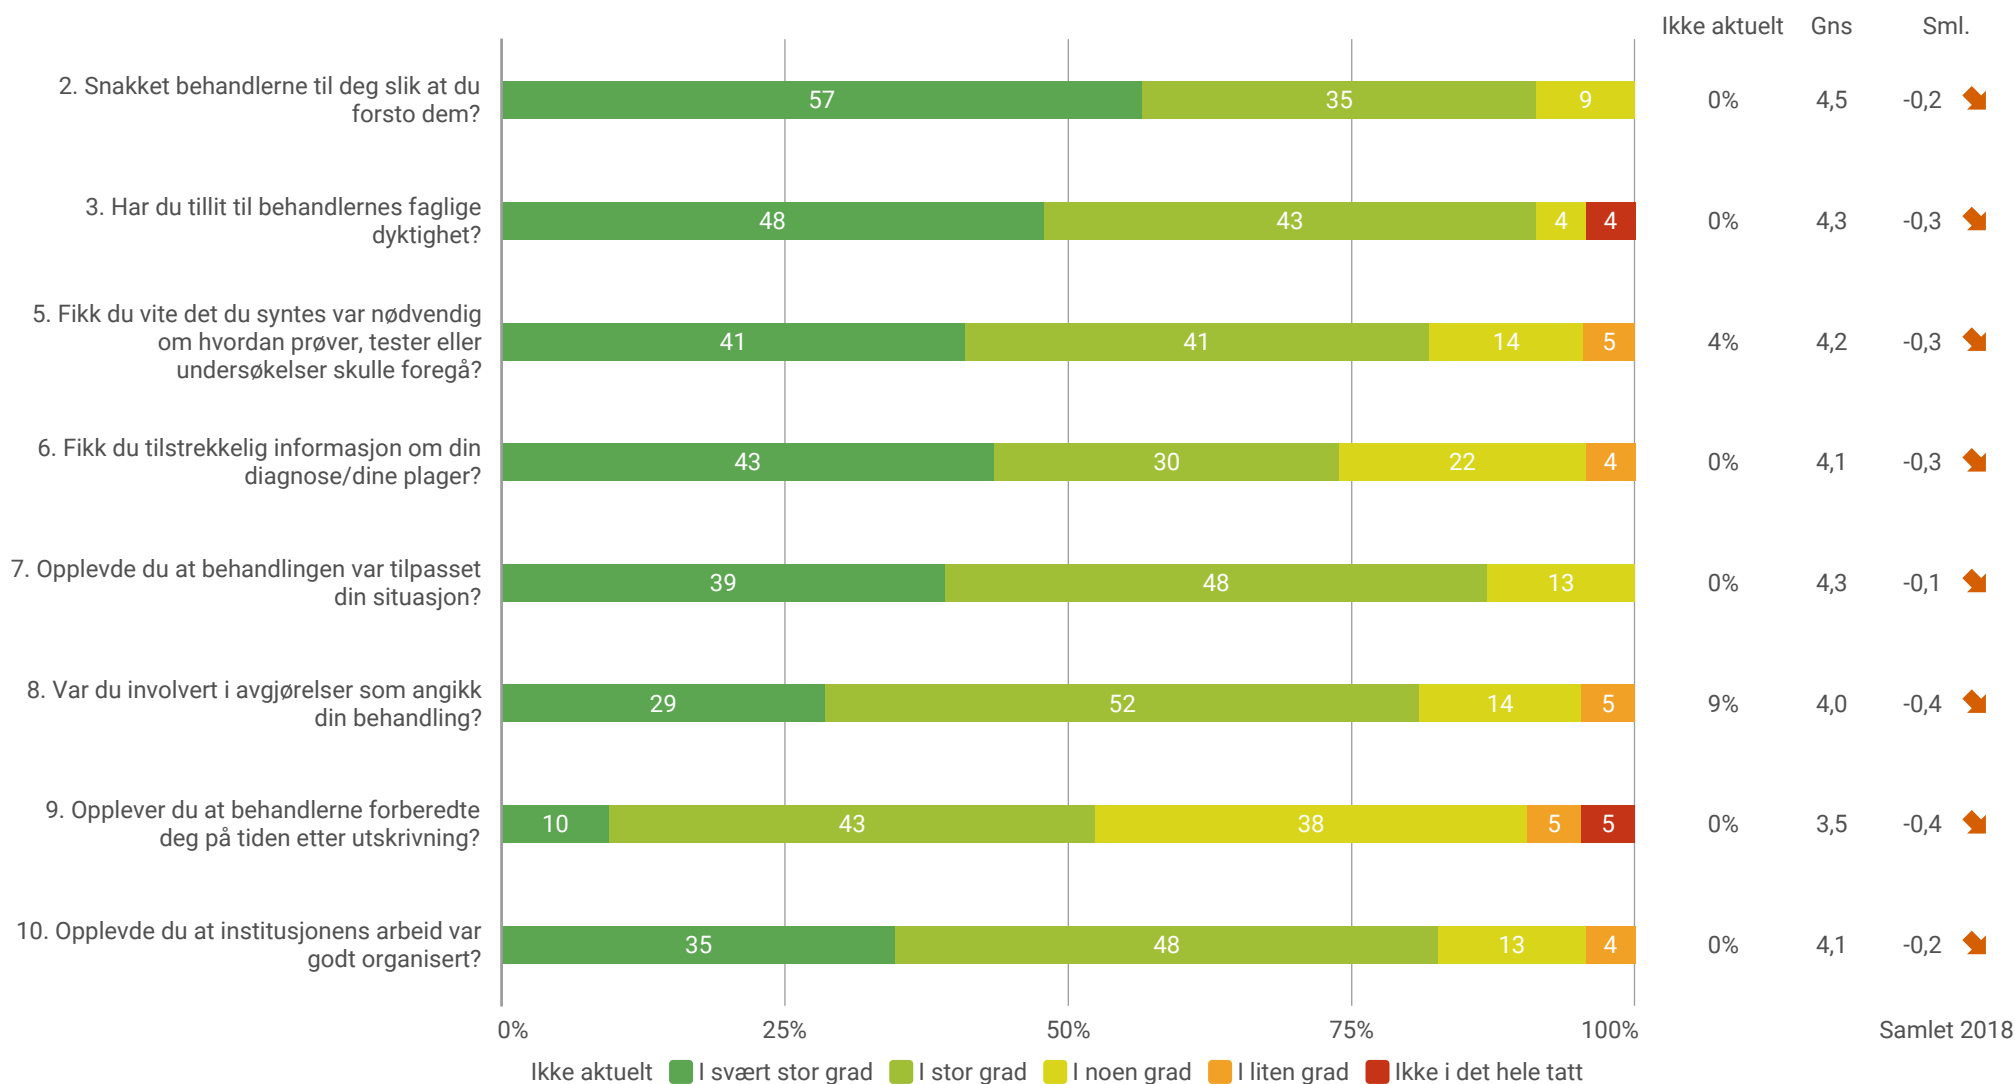

12. Hvilket utbytte har du hatt, alt i alt, av rehabiliteringsoppholdet?

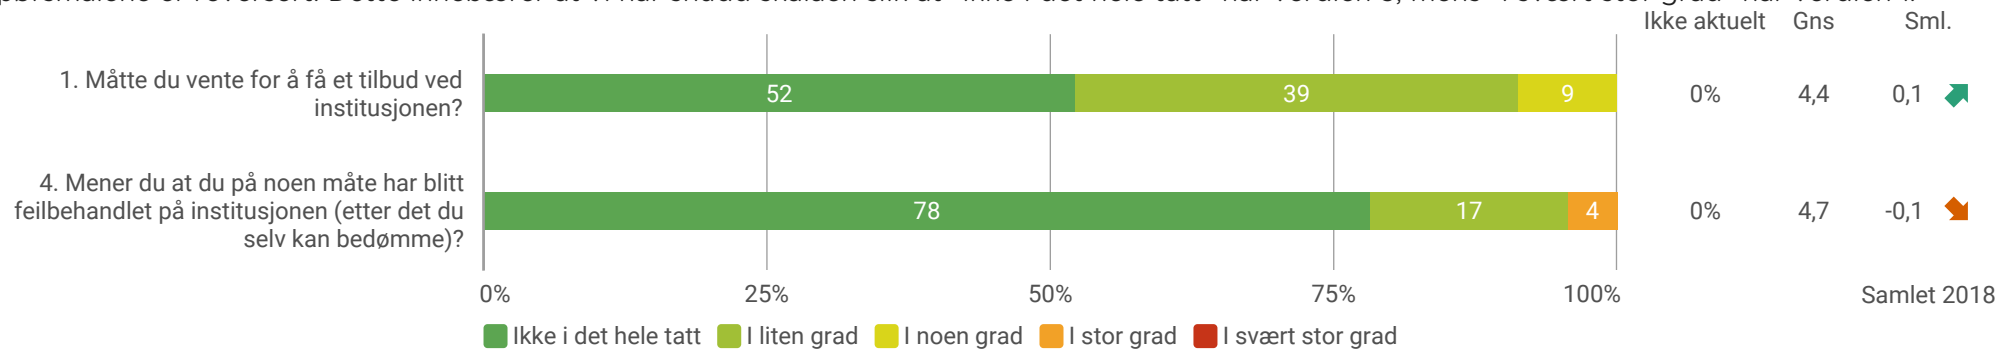

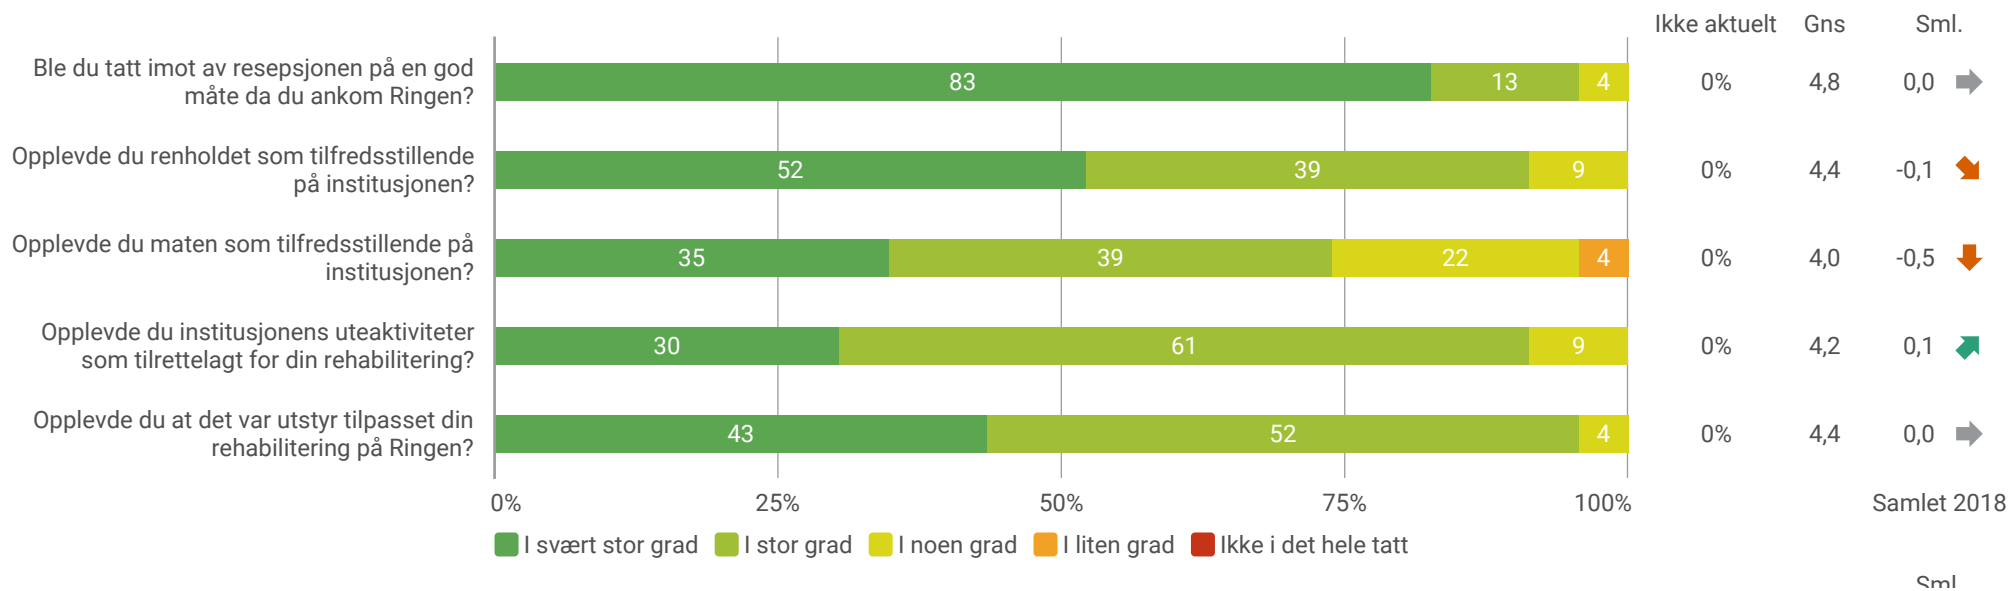

Nedenfor har vi samlet spørsmålene som vurderes høyest og lavest.

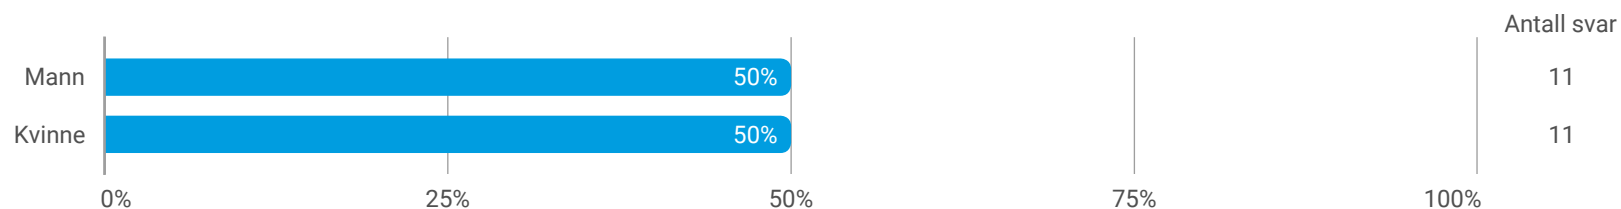

Spørsmålene er reversert. Dette innebærer at vi har snudd skalaen slik at "Ikke i det hele tatt" har verdien 5, mens "I svært stor grad" har verdien 1.
